

BSCC Mtg. 3/8/16

The meeting was called to order by President Al Sather at 6:30 pm.

Al announced that our long time member Bob Chilton was diagnosed with cancer about three weeks ago. Bob is going through chemo therapy at this time and they are requesting that people refrain from calling or visiting for the time being. John Wendel led the membership in prayer for Bob and Sandi.

We all wish Bob a positive outcome and hold he and Sandi close to our hearts during this difficult time.
