John provided a report that shows the balance in our account as of 1/8/17 is: \$3,469

Name Tag fines: \$2.00; Both Jo Rae and George paid fines this month. Jo Rae

insists it was George's fault that the name tags have been misplaced. Sure!!

Past Events: The Christmas celebration was held at the Adair Officers Club this year. Feedback is very positive. The food was good and Jo Rae and Annette did a great job with arrangements and décor. The gift exchange was led by Elf Debby O' Donnell and was a lot of fun. Thanks to all that made this event so enjoyable.

New Business:

1. Dave Kuntz raised questions about the disparity of the constitution/ by laws as written and those on the website. The two documents were reviewed and updated two years ago but it appears the documents on the website have not been updated. This needs to be done.

2. Al Penna will work with Terry Thompson to develop a survey to be sent to the membership about choices for meeting location. This subject has been raised several times and the effort now will be to gather input from all members about this issue and to reach an acceptable solution.

3. Scott O'Donnell works with the "South Willamette Valley Honor Flights" an organization that works to help military veterans make trips to Washington D.C. These veterans may not have the financial resources to do this and this organization is looking for donations that can assist in paying for flights for our veteran's to take part in this activity. If you know of an organization in the area that may be willing to provide some financial support to this cause, please contact Scott and he will follow on your recommendation. South Willamette Valley Honor Flights has a website you can check out.

4. Presidents mystery tour: There will be one this year. Terry and Al are asking for suggestions of places to go. If you have constructive suggestions feel free to

contact either Terry Thompson or Al Penna and give them your idea's.

5. Pat asked how many folks had copies of the current club membership roster.

Few had one. Pat will have copies available at the next meeting.
