Corvettes in the Park August 11-12. Since the minutes are coming out after the event an update is appropriate. Six Beaver State Cars represented the club at this event held in Cottage Grove and sponsored by the Cascade Corvette Club.

Those attending were: Al Sather and Mary Hobson; Pat and Faye Melius; Rick and Sherri Skinner; George and Jo Rae Perkins and Jeff Albright.

It was an awesome event again this year. There was an Ice Cream Social on Friday evening. The car show was held in the city park in Cottage Grove. Miss Lane County and Miss Oregon were present and spent time enjoying the beautiful cars on display. There was a cruise after the show and as usual the leader(Pat Melius) of our little group got lost. Fortunately one of the cars that went along belonged to a local person who was nice enough to get us back on track and back to Creswell where we were all staying.

The dinner on Saturday evening was BBQ ribs and Brisket with all the fixens.

Awards were beautiful trophies made of metal. The award for C-1 went to Al Sather, C-2 went to Pat and Faye Melius, C-4 went to Mary Hobson.

The Cascade Corvette Club puts on a great event every other year. Thanks a bunch you folks for all the effort. It was awesome.
