

March 12, 2019 BSCC Minutes

Pat Melius called the meeting to order at 6:45.

New Members: Tom and Brenda Elliott who own a 1998 C5 Coupe

Guests: Brian and Leann Switzer, they are previous members who are rejoining. They own two 1975 Vettes and Leann just bought a 2008 Convertible which she made clear is her car.

Name tags: It appeared that neither of the Wendels wore their tags so they paid the \$2.

New cars: No Corvettes. John Wendel did claim to have purchased a new company vehicle.

Birthdays: Tom Barratt, Rick Skinner, Russ Barker and Pat Cordier, none of whom were present.

An inquiry was made has to Russ Barkers health. He has been suffering some health problems. No one had any current news.

The treasurer's report was submitted. We had total income of \$1,260.50 over the last month. Expenditures were \$1,489.62 leaving a balance of \$998.61.

New business: Donations have been coming in for the purchase of a brick at the Corvette Museum in honor of Bob Garvey. We are very close to reaching our goal. Al Sather will follow up this project to its completion.

A discussion was held regarding our by laws. This is a follow up to the discussion at the February meeting. Some suggestions have been submitted and will be considered. This conversation will be continued at the April meeting. In the mean time, people are encouraged to read the by laws and be prepared to participate in the discussion and any changes that may be implemented. The by laws were previously emailed out by Pat and should also available on the web site.

JoRae has volunteered to do our newsletter. This will start in June. Please submit any items to her by mid May.

We currently have between 13 and 16 cars signed up. There is room for more. We will need people to staff our booth during the weekend, so even if you are not showing your car you can help out by being present. A request was made for volunteers to help move the show stuff from the Wendel's to the Mall on Thursday the 21<sup>st</sup>. Terry Thompson, Ray Roske and the Zimmermans stepped up. Volunteers can either show up at the Wendel's at 3:00 or at the old Sears entrance to the Mall at 3:30. Pat will make the necessary arrangements with the Mall.

50/50 drawing: Not surprisingly won by Al Sather. He donated his winnings to the Bob Garvey brick fund.

Attendance drawing: Marti Rickleff's name was drawn. She was not present so the drawing next month will be \$40.

Tech Time: JoRAe has been having ongoing problems with her battery going dead and the car not starting. No one seemed to have an answer to the issue.
