Joann Watney suggested members should be dropped if they have not paid dues by March 1.

John Wendel reminded members that you can remain a member by paying your dues even if you do not attend.

Pat Melius proposed dropping names of the roster after two years of not paying dues. Motion is made to drop names off the roster if they have not paid dues in two consecutive calendar years starting on January 1, 2021. Dave Kuntz provided the second. Motion passed on a show of hands vote.

Dave Boyd pointed out that the Perkins did not have any campaign signs on the car when they arrived for the cruise.

Clyde Carr indicated that he felt the campaigning issue was handled poorly and should have been dealt with privately.

Alex Penna said this has gone on long enough. He moved to end the conversation and vote to accept the resignation. Carolynn Kidd seconded the motion. Motion passed on a voice vote.

Sweet Home Sweet Rides Car Show has been cancelled. The club usually makes a \$250 contribution to this show that supports various children's causes. Carolynn Kidd moved that the club donate \$250 this year even though the show is not happening. Mary Hobson seconded. Motion passed on a voice vote.

Past Events: Terry and Sue Thompson organized a Friday afternoon cruise to Café 22 in West Salem for fresh strawberry shortcake. About ten cars showed up. The strawberries were delicious.

Upcoming events: Most events have been cancelled or postponed. Corvettes on the Columbia is still scheduled to occur on September 18 and 19 in Pasco, Washington. There are still rooms available at the Marriott. Al Penna says he will plan a cruise for next month.

Tech Time: Pat Melius reported that his 63 was running poorly so he replaced the points and condenser. He did this by first replacing the fuel filter, rebuilding and then replacing the fuel pump, then cleaning the fuel lines, then cleaning his fuel tank, then replacing the fuel tank (or something like that). It runs great now.

Scott Watney asked for ideas concerning his 84. It starts fine when it is cold or very hot, but doesn't start at normal operating temperatures. It was suggested that he check the coil and the condenser as they are both subject to being effected by heat.

50/50 Drawing: Al Sather won \$35 dollars and donated it back to the club.

Membership drawing: The Mulkeys name was drawn. They were not present. The drawing will go to \$20 next month. Meeting was adjourned.
