From our President

Ron Young, aka "RDub"

Hello Everyone,

The month of March has past and I think it treated us pretty good. The Heritage Mall show was a great success for our club as we were able to speak to lots of people and have several prospective new members. I would like to personally thank Jeff and Al for spearheading the event and making sure everything went smoothly. I also want to throw out a big thank you to all the members who not only put their cars in the show, but also to those who manned the booth and represented our club. Again - thank you all very much.

Please keep an eye on the calendar - with the weather starting to make a change, there will be lots of events to think about and participate in. The web page is getting bigger and bigger, so take a look at it and let us know what you think.

As always, any ideas or comments - just let me know. If you have a complaint - I'll give you a number to call

Save the Wave !!

Wait a minute!
Check this out!!

The Extended Warranty on this 1999 Roadster is transferable to the next owner.

It's called a "New Car Warranty" because it covers almost everything that was covered when the car was new and it's good until

100,000 miles or 11/24/2007 whichever comes first. It has a \$0 deductible and will provide the new owner with almost 35,000 miles of worry free fun. This takes all the gamble out of buying a used Corvette!

Saturday at the Dyno

Submitted by Jim Garboden

Have you ever wondered how much horsepower and torque your car is really putting out? Want to find out how much you gained from the mods you have added? Here's your change to find out. Saturday, May 22, will be our own personal "Dyno Day" at McGee's Auto Service in Lake Oswego. For \$75 per car you get three dyno runs (this usually includes tuning tips to improve performance). A minimum of 10 cars is needed to get this special price.

Meet at Washington Mutual in Gateway and leave by 7:30 am. BSCC members may join the caravan at either Albany on-ramp (details to be determined). To reserve your spot or for more information, call Jack Worcester 541-746-8722.

Heritage Mall Show—2004

Jim Cooper

Thanks to Duane/Bobby Becker and Jeff/Pam Twitchell for providing copies of their photos! I received quite a few photos from this year's Heritage Mall Show. This is just a sampling of those photos. Check out the rest of them on our web site at:

Jeff and Brenda's 66 coupe. Sorry, the photo doesn't do the black paint justice!

The Vices' 82 Collectors' Edition with matching trailer. Very nice!
