Albany Traffic Jam

Suzi Goodwin

On Thursday night there were several live bands scattered around town - in restaurants and at Riley's Billiard Room. The bands were raising money for charity and had all donated their time to play for the Traffic Jam. There were lots of folks there and there were cars parked all around the downtown area for folks to look at and enjoy. There was a lot of great music, food and cars and there was a crowd everywhere you went.

On Friday at GI Joe's, there were even more cars and people. Because I had to work late I got there just in time to go eat and then leave to go downtown for the cruise. There was some confusion on which direction you were to go for the cruise, but once you figured it out it was fun. It was great night to be out and watching cars go round and round. Pete even asked a Albany police officer to "light them up" and the officer was more than willing to oblige. He didn't miss a beat and turned on his flashing lights to the delight of all who were watching.

Saturday turned out to be perfect for a car show. It was not too hot and there were a lot of cars to walk around and look at and enjoy. There was some confusion on the voting process but most were able to figure it out, once we all conferred with each other.

All in all it was a fun weekend of cars, food and good people.

I won 1st place in the C-4's. Mary Hobson took 2nd place and Barb Funk took the 3rd place award.

Corvettes in the Park—CCC

Jim Cooper

Well, Corvettes in the Park 2004 is over but not forgotten. This was a great weekend—great weather, wonderful location and lots of nice cars. At last count they had 74 registered cars with another 9 cars that were in attendance but not registered. Not bad for the first year after several years with no show.

Friday evening kicked off with a Meet'n'greet in the parking lot at Safeway in Cottage Grove. There was a great turnout for the evening and we got to meet lots of new folks from all over. Folks came from Idaho, California, Washington and, of course, Oregon. The evening's festivities were helped along with the tunes provided by Lost Highway, a local Eugene group.

On Saturday, the club had scheduled the Corvette Show in Coiner park. They had an excellent turnout of a wide variety of model years. Surprising (to me, anyway) was the number of C2's that were present. During the course of the day, raffle tickets were periodically drawn and raffle prizes were awarded. Then, on Saturday evening, participants received discounts on tickets for the dirt track races at the local race track. Although we didn't take advantage of this opportunity, most of the feedback that I got was positive and everyone seemed to have had a good time.

On Sunday morning, we kicked off the events for the day with a Poker Run through some of the beautiful countryside surrounding Cottage Grove.

This was a great drive and a wonderful way to start out the day. After the poker run, we all met back at the host hotel, the Village Green Resort for the Awards Ceremony. CCC had

a great selection of awards for the various categories. I especially liked the special category awards that were presented. These were unique presentations that were created by our own Ralph Bloom (Ecklund Industries). They used metal plates and cut Chevrolet bow-ties out of them. Then, "Corvette" was cut out from the bow-tie and the award was powder coated red. Okay, it might be easier if you check out the photo of Gwen. (Yep, one picture is

worth a thousand words!) Ralph also provided 100 souvenirs for the show. Also unique and very well received. I was lucky enough to help with the distribution of these to the folks at the show and everyone seemed to be pleased to receive something other than the standard magnetic dash plaque. (Good job Ralph!!)

The following is a listing of all of the awards that were presented at Corvettes in the Park 2004! You'll note that BSCC made a very presentable showing in the individual classes as well as receiving the Club Participation award!

Jim and Sally's 98 and a shot of Billy and April's Red 1963 Split window and their Blue 64 Coupe.

An example of one of the souvenirs that Ralph provided to the club. There were actually two options available—a cutout of the C4 Roadster outline (like this) or a cutout of the Chevrolet bow-tie. Also, it is my understanding that each and every one of these souvenirs was personally hand-painted by none other than Marveen Bloom!!

Our thanks to BOTH of you!

October 8-10

WOW Tour (Women Only Weekend)

[This is a BSCC Focus Event](#)

A fun weekend for the Corvette divas of the world! Sponsored by **Cascade Corvette Club and the Beaver State Corvette Club**. The WOW (Women Only Weekend) will be October 8-10. If you are interested in going, contact Sally or Debbie. The Black Butte Ranch registration fees are \$4 per person per night, payable when you register at Black Butte. There may also be donations for snacks and such, information about that will follow. Last year, most of the women ate meals out at restaurants in Sisters, so allow for that expense as well. Some of us will be off work on Friday and will go over early afternoon, others will work part or all of the day so will come over in the evening. We will set up carpools and vanpools when it gets closer to the event. This is not a Corvette event, though you can bring one if you want. There is a craft fair in Sisters that weekend that most of us will attend, and other shopping. We will also have movies, food, drinks, and games to entertain us.

Contact Sally at purple98roadster@pobox.com or Debbie at redvette95@comcast.net for more information.
