The Newsletter Folks

Jim and Sally Cooper

Hello everyone!

Our newsletter is more than just a little lean on actual club information this month. Unfortunately, Sally and I were unable to attend a lot of the events this month so we don't have any first hand information about what's been happening in the club and we have received no input from club members about events. We REALLY need your help in the form of letters, photos, jokes, comments or just general information about what's been going on with the club and club members. Let us know what you'd like to see in the newsletter. Remember, this is YOUR newsletter—we just facilitate getting the information into print and then out to the rest of the club!

A Special Announcement— don't miss this!!

What's happening that's so special? Well, it's been almost three years since we started publishing the club's newsletter and it remains un-named to this day! (By the way, for those that are interested, the first issue of the newsletter that I published was November 2001!) To correct this we're going to have a contest to name our newsletter.

What's in it for you? The member with the winning entry will receive a \$50 gift certificate to Michael's Landing in Corvallis.

So, how do you win? The winning entry will be selected by popular vote at the November 9 meeting. Entries will not be accepted after 6:30 PM on that day. In case of duplicate entries, the first one submitted will be the only one considered! So, make sure that you get your suggestion(s) turned-in to us! Suggestion(s) can be submitted to us at webadmin@beaverstatecorvetteclub.com. Or, even better, come to the next meeting on October 12th with your suggestion in hand. **Remember:** the date that we receive the entry (or entries) is all important!!

WOW Tour (Women Only Weekend)

This is a BSCC Focus Event

A fun weekend for the Corvette divas of the world! Sponsored by the **Cascade Corvette Club** and the **Beaver State Corvette Club**. The WOW will be October 8-10. If you are interested in going, contact Sally or Debbie. The Black Butte Ranch registration fees are \$4 per person per night, payable when you register at Black Butte. There may also be donations for snacks and such, information about that will follow. Last year, most of the women ate meals out at restaurants in Sisters, so allow for that expense as well. Some of us will be off work on Friday and will go over early afternoon, others will work part or all of the day so will come over in the evening. We will set up carpools and vanpools when it gets closer to the event. This is not a Corvette event, though you can bring one if you want. There is a craft fair in Sisters that weekend that most of us will attend, and other shopping. We will also have movies, food, drinks, and games to entertain us.

Contact Sally at purple98roadster@pobox.com or Debbie at redvette95@comcast.net for more information.

Now, a little Corvette humor.....

How the Rich get Richer

Before going to Europe on business, a man drove his 63 split window Corvette to a downtown New York City bank and went in to ask for an immediate loan of \$10,000. The loan officer requested collateral. The man said, "Well then, here are the keys to my Corvette." The loan officer promptly had the car driven into the bank's underground parking garage for safe keeping, and gave him \$10,000. Two weeks later, the man walked through the bank's door, asked to settle up his loan and get his car back.

"That will be \$10,000 in principal and \$15.40 in interest", the loan officer said. The man wrote out a check and was given the keys to his Corvette back.

As the man walked away the loan officer said, "Wait sir, while you were gone, I found out you were a multimillionaire. Why in the world would you need to borrow \$10,000?"

The man smiled. "Where else could I park my Corvette where it was safe in Manhattan for two weeks and pay only \$15.40?"
