A Note From The Prez

Gwen Gray

Things seem to be moving quit fast. The weather has been wonderful with the opportunity to drive my car and hope others enjoy driving theirs.

We had a great showing at Heritage Mall last weekend, the 5th and 6th. We had a total of 14 cars and they looked great. Thanks to everyone who participated and manned the tables. We couldn't have done it without everyones help. A special thank you to Rory and Jacqueline Stiles for pulling this off. Welcome to the new members, from the Heritage Mall Show, they are Toni & Rick Petersen, Patricia & Thomas Cordier, Johnthan Grant, Terry Ebert and Dina and Craig Pope.

Some sad news, Jim and Sally Cooper have decided their time is up for taking care of our newsletter and this will be their last issue of the newsletter. Thank you both very much. You have been Great!!!

Terry and Joanne Watne have been bribed to take on the task of creating the newsletter. Good Luck!!!

Hope to see everybody at the Tulip Festival on the 26th of March.

Gwen

Some photos from the Heritage Mall Show.

Thanks to Ralph and Marveen Bloom and Jim and Nancy Garboden for sharing the photos that they took at the show. Sally and I took a few but the extra pictures are really appreciated.

A lone C6 that was discovered in the parking lot. Some of us HAD to go out and admire it!

And, some more photos...

Corvettes and Corvette Toys For Sale

1992 Corvette Coupe

In 1992 there were over 20,000 Corvettes made and only 1,900 were in the color "metallic aqua". This is an exceptional example of this particular year. It is fully loaded with leather interior, AUTOMATIC transmission, power... Everything. THOUSANDS of dollars in upgrades including a custom radar system from PASSPORT that runs \$700 and \$1,000 installation, a \$1,000 SONY stereo deck (plays CD's, MP3's, and videos that can be uploaded via memory stick on its full color screen), Infinity speakers, POWERFUL amplifier, alarm system with "auto start" feature that can start the car from up to 200 feet away, CENTERLINE rims, \$750 worth of Falcon Z performance tires (LOTS of tread left), full blackout kit for the lights, chrome emblem upgrade and stainless steel lettering on back. This also has the removable glass targa top that snaps easily into the back trunk still leaving trunk room and never leaving you in a spot if it starts raining while you are out joy riding. **UNDER 71,000 MILES!!!!** This car has been well cared for and looks even better in person than the pictures shown above.

5.7 liter V8 300 HP stock engine. Power, Comfort, Style... you get it all in one!!!!

PRICED TO SELL AT: **\$14,000**
