Prez Comments:

Hi, I will try not to ramble.

Once again another month is almost over. Spring is here along with the rain, which we need (I hate to say). On Saturday, March 26 we attended the Tulip Festival. 18 Corvette's and 4 Hot Rods (eleven corvettes were from Beaver State) attended the event. It was a very rainy day but as always Larry was wonderful host. Linon Implement provided covered parking, entertainment, food, everything you could think of. Larry had a bus take some people to the outlet mall, the rest stayed behind to enjoy the cars and our guest, Ashley Maree. Ashley Maree is the daughter of Rory and Jacquie Stiles (BSCC Members). Ashley was wonderful and I hope she continues to grow. She had CD's with her to purchase with an autograph. Good Luck Ashley!!!

We had a couple winners from our group, Al Sather & Mary Hobson and Jim & Nancy Garboden. Congratulations!!!

I want to thank everyone from coming out in the rain and supporting Larry. Once again THANK YOU Larry and everyone at Lenon Implement. We did not go to the Tulip Fields, the fields were a little wet and muddy. After the show some people went to eat and the others went on their way.

Hope to see everybody at the next meeting.

Gwen

HEADS or TALES?

Newsletter Editor:

I apologize for the state of the newsletter as I am just trying to take over this job from Jim and Sally Cooper. I want to thank them for doing such a great job with the newsletter. I will try to keep up with their standards but that may be difficult. If you have anything you would like to add to the news letter, please try to have it to me by the last Monday of the month.

On Behalf of the Corvette Club I would like to thank Larry Crooker and Lenon Implement for being great hosts for the Tulip Festival!

**Thank You
Larry Crooker!**

Event Coordinator News

Cool April Nights (:

There are a few people attending this event but there is no planned meeting location or time. So if you are going on this event you are on your own. Have a good time

NewPort Loyalty Days - Newport Oregon:

The club is planning on meeting at the Safeway on Hwy34/20 between Corvallis and Philomath at 8:00am. I have forwarded this information to the Cascade Corvette Club so they may be join us as well. Have a safe cruise!

Spring Cruise In - Sandy Oregon:

This event was formally Nancy Suburban Cruise In. This event includes cars of all types including street rods, corvettes and other special interest cars. Currently there are only a couple of people possibly attending this event so there are no formal plans to meet and cruise to this event. Those attending have a good time.

There are many other events that you can check out on the web site or in the attached events list. If you have an event that you would like to attend or organize that is not in the list please contact me.

Thanks
