Prez Comments:

Hello Everybody,

To begin with, the weather is beautiful and its hard not being able to be out enjoying it. If anyone has any ideas for day trips or over nighters please let us know.

The end of April - first of May is already here. I know some of the members are going to Newport for Loyalty Days and some to the Spring Cruise-In Surburban Chevrolet. Either one should be a good time and looks like we will not have rain. HOPE!!!

I had a conversation with one of our members and she was wondering what exactly does "Save The Wave" mean? Well I for one think that recognizing other corvette enthusiasts by waving or acknowling in some way. Does anyone else have other thoughts or ideals to share with the club (and me) on this matter.

"Save The Wave"

May Birthdays!

Andy Tunison	5/14	Angie Lightcap	5/17
John Wendel	5/19	Terry Ebert	5/21
Rose Smith	5/27		

HAPPY BIRTHDAY!

HEADS or TALES?

The following letter is information on our BSCC logo embroidered by A Stitchin' Time in Tangent....

Dear Beaver State Corvette Club Member,

I have been asked to put together a price list of the different designs we have available for members to put on their garments. Due to new copyright restrictions put upon the embroidery industry by General Motors, we are no longer able to purchase new designs. However, we do have several models of Corvettes to choose from, '56, '70, '72, '65, '79, '85, '86, '88, and '77. However, many of the models are very similar from year to year. We also have the Beaver State Corvette Club logo which can be stitched on the left chest or a full design which is suitable for the back of a jacket. We also have a small BSCC logo for hats. The price of the BSCC logo for jacket backs is \$35.00, Left Chest front is \$8.50 and the hat is \$7.50.

The Corvette logos w/" Beaver State Corvette Club" around them run anywhere from \$8.50 to \$12.50 depending on the car. It is based on the number of stitches.

You can get on our web site at www.a-stitchin.com and click on some links to a couple of our vendors to see many of the garments we offer for sale. You can then e-mail us with the style number and we will e-mail the price. Or you can come in and see many samples that we have on hand. You may also bring in your own garments, however, if they are damaged in any way during the stitching process, we are not liable.

If you have any questions, do not hesitate to give us a call at 541-967-2752 or e-mail us at stitchin@peak.org and we will be happy to help you.

Malah, Tom, Tommy and Ben @ A Stitchin' Time

Tangent, OR 97389

Located right next to Farmland Tractor halfway between Hwy. 99 and Columbus on Old Highway 34.

Newport Loyalty Days Event April 30th, 2005

Early Saturday morning the weather was partly cloudy, but was clearing up to the West. We were looking forward to a nice day on the coast.

While waiting to meet other Corvettes from points North and South at the Safeway in West Corvallis on Hwy 20, Rexius Products pulled into the parking lot with three large trucks loaded with bark dust and several workers. They proceeded to blow bark mulch on all the islands where we were parked in the parking lot. We ended up having to move our Corvettes to prevent having bark dust blown all over them. As a result, we ended up scattered all over the parking lot before leaving as a group of 24 Corvettes from BSCC, CCC, and WVCA to caravan over to Newport and Gold Chevrolet.

As we headed west the sky started to clear up, but before we reached the coast we ended up with a lot of road spray from a down pour just ahead of us. Fortunately we just missed it, but not for long. Right after pulling into Gold's Chevrolet, the sky opened up and it poured for a short length of time. After that the weather was nice for the remainder of the day.

After registering, cleaning our Corvettes, and buying raffle tickets a large number of Corvettes headed to Walmart to stage for the parade. This year the Mustang and Miata clubs also had a large representation in the parade.

After the parade, it was back to Gold Chevrolet and the Show'n'shine. Gold 's salesmen barbecued huge hamburgers and hot dogs with all the fixings for our eating pleasure.

At 3:00 p.m. Oregon Coast Corvettes announced the Show'n'shine winners for this year. The winners received very nice plaques made by one of the members of the Oregon Coast Corvette Club. The following were winners from BSCC:

Jonathon Grant received (I believe) the Wild Plum Award; Jim and Nancy Garboden received the Fried Green Tomatoes Award; Jeff and Brenda Jarrett received the Pumpkin Pie Award; and Al Sather received the Sweet Tomato Award.

After the awards, 123 Corvettes began leaving both North and South, some going home and some staying for another evening on the coast. All in all it turned out to be a real nice day, and it felt good to get out in our old '59 again with the top down. Al did manage to blow an exhaust gasket before we got home, but his new tranny did great... .

Mary Hobson

The following pictures are from Loyalty Days !

Thank you- Jim Cooper for the pictures.

2005 Events Calendar

June 10-12 Corvettes at Lake Tahoe For more information: <http://www.wscs.ws/Tahoe%20Flyer2005.pdf>
