Dear BSCC

Its officially spring, YES!!!!!! This means it is time to fire up the vette. I am looking forward to a great time this year. There are so many corvette events in the coming season. We are the lucky ones because we have Corvettes and get to be in them. Speaking of events early June is looking pretty open, maybe we could come up with a Beaver State Corvette Club event. This is such a great club and its not about the officers, its about All our members and people who Love Corvettes, its Your Club. I know there are some ideas for some great events out there and I will do everything I can to support an event. Heritage Mall was a great example of the kind of first class event our club can do. I wanted to give a special thanks to Randy and Terri for the Awesome job they did at pulling off the mall show against all odds, and to everyone who helped with the show and took the time to show their cars. There is one more thing, The Presidents Mystery Tour this year should be a good one. Plans are already in the works it will be September 9th and 10th. The 2005 mystery tour will be a tough act to follow, but 2006 will be a great time. Looking forward to a great spring.

Sincerely Yours

Pres. Rory

HEADS or TALES?

BSCC Club Notices:

A Welcome To Our New Members

The first new members to join BSCC this year were Ed and Pat Loy who joined Jan. 10, 2006. They live in Albany, and are proud owners of a 2002 Pewter Roadster.

On Feb. 14th Valentines Day, Jerry and Julie Erickson attended our meeting and joined the Club. What a Valentine's gift to each other! They are the proud owners of a 1993 Anniversary Edition Ruby Red Coupe and live in Corvallis.

Also, in February Pat and Faye Melius became new members of Beaver State Corvette Club and own a C6. They bought their 2006 Red Roadster from Lassen, where Rory met them while having the transmission in his ZR-1 replaced, and told them about our fun Corvette club.

Then, at our March 14th meeting, Don and Sue Foreman joined the club after learning about the club at the Mall Show. They had a 1984 Bloomington Gold Corvette that they sold before moving out west. They are looking for a 2003 Ruby Red Roadster to drive and enjoy with the rest of the Club.

We would like to Welcome you all and hope you can participate in some of the fun events coming up this spring, summer and fall, the **Corvette Cruising Season**.....

On March 3rd-5th, the Heritage Mall Beaver State Corvette Club Show was a huge success thanks to Randy Leach and Terri Baum and their perseverance in dealing with the Heritage Mall staff and finding an affordable way for the club to purchase the insurance required by the mall. In years past this had never been an issue, but the Mall had changed ownership and policies had changed. All the preparation, planning, and organization for the show had to be done in a very short length of time after receiving the go ahead from the Mall staff. Randy and Terri volunteered to chair the event this year (their first time!), and did a fantastic job.

A big thank you also is in order for the members of BSCC who brought their Corvettes in to show and those who spent many hours at the mall watching over our Corvettes and manning the booth

Thank you all-----

Up coming Events Special Notes from Al Sather:

Good weather is coming along with daylight savings time. Get those Corvettes ready to cruise. Fun times are at hand... .

There is still time to register for the NWCA President's Mystery Tour on April 22-23rd, but you need to do it soon. Mary and I have reservations at the Best Western Pony Soldier Inn, one block from the starting location, for Friday night the 21st. Rates were \$79.00 plus tax for queen room. Call 503-256-1504 to reserve a room.

We have updated information on the Pacific Coast Corvette Clubs Event, "Fiesta Time", July 28th-29th. Also, Vettes on the Rockies in Breckenridge, CO which is the same weekend.

And the best for last... I am very happy to announce two new events for Beaver State Corvette Club Members to add to their calendars; Ed and Pat Loy have invited the club to their house on Sat. August 19th for a pot luck, and... on September 9th and 10th President Rory and 1st Lady Jacquie will try to get us lost on the President's Mystery Tour.

Remember, if you have any questions about the various events listed, or may know of some that have not been listed, or have been listed incorrectly, please don't hesitate to call or email me. Also, we have electronic copies of most of the listed events on file in .pdf form that we can easily email to you as an attachment if you would like.

"Can't wait to get on that road again!"

Meeting Minutes for March

March 14, 2006

New members Don & Sue Foreman were introduced. They came to us via the Mall Show.

A big thank you was given to Randy Leach and his lovely lady friend Terri for making the Mall Show a great success. There were 13 cars in the show. They lined them up according to years. They put in a lot of work to make it all happen. Another big "Thank You" to Randy and Terri for all of their time and energy they put into making the show come together with such short notice. You are a great team.

Ron Armstrong reminded us that his parents have invited all of the club members, going to the High Desert Corvette Clubs event in July, to a BB-Q at their home. There will be more information to come as time draws near.

Up coming events were announced. If you are interested in any events be sure and check the web site or look for the flyers at each meeting.

A reminder of the Car Shop that is being held the 4th Thursday of each month. If you need help with your car or are willing to help with someone's car check with our Prez to find out where and what time the Car Shop is being held.

One more item on the Mall Show. There were winners for Best of Show and Peoples Choice, but I did not get the information from the powers that be so I am sorry to say I do not have that for you.
