Pres Says

Hey, everyone looking forward to a lot of fun this summer? We have already started with some good times like the our last vette shop-feast, this event was a great time for all, til 11:30 pm or so for some. Good food, good people, a nice shop and Corvettes. A BIG THANK YOU to the Bowens for this event and everyone else who supported it, and fed us. Before that we had our meeting and road trip, this was a really good time also, I have had requests to make this a tradition this year after meetings, weather permitting. So bring your Corvettes and your road trip ideas, we will let someone else lead this time if they want to. Loyalty Days is always a good "rainy" event, this year we met some new people who have become members. This is just the start of our fun year. We have many events to look forward to. PS: we have a sign up sheet coming very soon for the Presidents Mystery Tour. Please bring items you want to auction to the next meeting, we have a need for "1980 Trailing arms" This auction is to raise \$ for the Mystery Tour. I look forward to a great Corvette season.

Your Pres: Rory

HEADS or TALES?

BSCC Club Notices:

A Welcome To Our New Members

During Loyalty Days in Newport, Scott & Suzanne Jones pulled into the Corvette Show with their newest project, a 1980 Silver Coupe. This couple from Albany, OR went to Newport to meet other Corvette owners and restorers and found out there were quite a few of them right in their own back yard.

Scott attended our meeting on May 9th, the following Tuesday, joined the club, and also had his 1980 up on the car rack at BSCC Tech Night. Scott found out then that he really has a project ahead of him.....

We would like to Welcome you and hope you can get your Corvette in safe driving condition so you will be able to participate in some of the fun events coming up this, summer and fall, the **Corvette Cruising Season**.....

Meeting Minutes

Meeting on 5-9-2006

New members were introduced and Happy Birthdays were announced for the month of May.

Club members talked about the past events that they had attended and Al told us how he was able to get out of a speeding ticket when he was trying to catch up with the group going to Loyalty Days in Newport.

Then next date and time was announce for Tech Time. For the month of May it will be held at the Bowen's home.

A reminder for Shedd Cafe event: every Thursday there is a car show.

The President's Mystery Tour was talked about and registrations will be ready at the next meeting. The final cost should be worked out by then.

Upcoming events were gone over. If you want any information on them you can contact Al Sather. Also check out the Events folder at the next meeting.

The 50-50 winners was Jacquie Stiles, she donated the money back to the club for offsetting the cost of the mystery tour. Thank You Jacquie. :-)

The meeting was adjourned and a short cruise was taken for those that wanted or could make it.

Suzi Goodwin

Even though it was pouring down rain Tuesday evening, May 23rd, BSCC's Tech Time turned out to be a huge success and a lot of fun. There was lots of food to eat and quite a variety of beverages. While the men started working on Randy's Corvette door, the women were checking out Bonnie's Wedding Gardens and many of the rare and unusual flowers she has plus discussion on the garden art classes that Bonnie teaches. Sharon was prepared to weld the sway bar in Al's 59, but by the time the lift was clear to start on that project it was getting quite late and everyone was heading home, so John, Rory and Al managed to get the job done just before midnight. We had a great turnout with more Corvettes to work on than time would allow. This, I would say, warrants a Tech Time every month.

A big thank you also is in order to John and Bonnie Bowns for volunteering the use of their fabulous shop.

Thank you John and Bonnie!
