Prez Sez;

Wow! It's October already. Can you believe Halloween' on it's way?! We're approaching the end of a great Corvette season. We had such a great time on the Mystery Tour and the gathering at the 'Kidds' house. I would like to thank our Corvette club for all the hard work and fun participation that they put into each of these events.

The Mystery Tour was an especially fun day! Winding through the Oregon country side, with the rumble of 22 Corvettes. What a sight! A great BBQ lunch at Suburban Chevrolet and the unexpected mystery turn around/parade toward the end of our tour. Upon arrival to the INCREDIBLE resort, we all got to relax for a little bit before the round of "autocross golf". (Let's not forget the awards at dinner for the best golfing skills! :) And the other Mystery Tour Award winners. Oh, what a dinner too! Great entertainment from Ashley Maree. She didn't make it by the way in the American Idol auditions, but her and Jacquie had a great experience. After dinner we had fun in the hospitality suite, hot tubbing, or whatever else you did... The next morning was very relaxing with breakfast, spa for some, and the great return trip home.

I would like to give a special thanks to Al and Mary, Wayne and Sharon, Lassen Chevrolet, Suburban Chevrolet, and all the other people that worked so hard to make this event possible.

The next Saturday we had a great gathering at the Kidds house. Unfortunately, we were out of town, but I heard the turnout, the food, and the hosts were all great! Events like these are what make our club fun! Thank You all for making these good times possible. I look forward to seeing you at the next meeting.

Save The Wave Rory and Jacquie

HEADS or TALES?

BSCC Club Notices:

Elections:

It is the time of the year again to begin the nominations for next years officers. Nominations for club officers will be taken at the October and November meetings. If you are nominated at a meeting, please do not decline the nomination at meeting. You will be contacted at a later time by the Elections Chairman to confirm your nomination at that time you can accept or decline the nomination. Our club needs officers for the club to conduct the business of the club and meetings. So please at least consider the nomination before immediately dismissing it.

Thanks

Terry Watne

Annual Event Planning Meeting.

An initial planning meeting to discuss putting on an BSCC sponsored event. Several ideas were discussed and one idea was agreed upon by the people attending the meeting. The result was to attempt to plan an event on the Saturday following the Albany Traffic Jam. The format of the event will be a little non traditional in the fact that it will not have a car show. The thought is to have a series of events that car clubs would compete against each other for trophies or prizes. We are looking for people to help identify the events and committees to plan and manage the events. The events would need to be something that can be scored and would require a minimum of two people to work together to complete. Terry Watne is taking the chairman position for this event. If you have any idea's or would like to help with this please contact Terry.

Thanks

Terry Watne

HELP!

We need help for coordinating year end events such as a Christmas party and the year end banquet. Contact Suzi Goodwin if you would like to help with the year end banquet.

Thanks for your support
