President's Message:

We are approaching the end of another year of activities and events with this great club. At the October meeting we will begin the nomination process for electing a new group of club officers. Nominations will continue at the November club meeting. If your name is submitted for nomination to a club office, you cannot decline the nomination until the end of the nominating process. All candidates will be contacted by the nominations committee representative to determine if you are willing to serve if elected to an office.

Last year I was selected to serve as President because no one else was willing to serve. At the time I was nominated, I was pretty nervous about serving as President, because I had only been a member for about 8 months and had never been in a car club before. I did not know what to expect. When I was contacted to see if I would serve, I agreed because I felt that if I was going to be a member of this club and benefit from being a member, I should be willing to contribute to the efforts of the club.

In my service to the club, I have found a number of new friends and met some really great people. I know I would not have had the opportunity to get to know as many people as I have if I just came to meetings and took advantage of the event calendar that Ron Armstrong has put out.

Why am I talking about this? Well I am talking about this because we need people who have not served in a leadership capacity to step up and volunteer for at least one year. There are a number of folks in the club who have served in leadership roles in the past and have done so more than once.

I want to encourage everyone who has not yet served, new members and those who have been around for some time, to get involved in the operations of the club. The club needs you.

Remember, nominations start at the upcoming meeting. We will conclude the process after the November meeting. You will receive a ballot in the mail after the November meeting. Please take the time to fill it out and send it back to us as soon as you get it. We will announce the officers for next year at our combined Christmas Party and Annual meeting in December.

Thanks. Have fun and drive safely..

Your President - Pat
